

'Holiday From Darkness'

EDITOR'S NOTE—The following from Frank Rhoades' column in a San Diego paper is, we know, particularly gratifying to Sierra Madreans who are acquainted with the universally loved Lee Shippey. It is especially gratifying to us who have, in the past 19 months, come in contact with this splendid character through his weekly writings in the SIERRA MADRE NEWS. Titled "Holiday From Darkness," Mr Rhoades' article follows:

"Tomorrow, Lee Shippey of Del Mar, the retired dean of Southern California newspaper columnists, will be rejoicing in a very personal kind of independence. It will be the first Fourth of July in 50 years that he has been able to read a newspaper.

Back about 1906, when Shippey was a struggling freelance writer in Kansas City, the chic thing for young men was to own a fancy meerschaum pipe that had been beautifully colored by smoking it properly and giving it special treatment.

Shippey was told to carry his pipe in a chamois skin bag, and clean the outside of the bowl with wood alcohol. The bowl was supported by a carved eagle claw, which Shippey did not know was hollow. It would fill with the wood alcohol and his optic nerve soon was paralyzed.

He recovered part of his sight, but all during his newspaper career in Kansas City and Los Angeles, he could not see enough to read. His mother, sister and later his wife read aloud to him. He used a typewriter by a touch system.

Several weeks ago, Shippey's son, Charles, a Chula Vista insurance man, read of a new development in glasses, and virtually forced him to see a doctor. Shippey had long since lost all hope. But the new type lens, a sort of microscope, worked. With one eye blacked out, he can now read for himself."

Dr. Jacobs Ends His Practice

In general practice in Sierra Madre and its environs some 20 years, exclusive of two and one-half years in service in the European Theater during World War II, Dr. Nathan Jacobs, practically a medical landmark here, with present offices at 80 W. Sierra Madre Blvd., is retiring from general practice.

Dr. Jacobs will henceforth devote himself exclusively to anesthesiology, a branch of medical effort to which he has devoted much time and service in recent years.

This will entail his abandonment of his general practice and offices here and his practice in anesthesiology will take him almost exclusively into hospitals in the area.

DR. JACOBS will be succeeded here in general practice by Dr. Earle C. Manning, formerly of Solano Beach, near San Diego. Dr. Manning already is beginning his general practice in Sierra Madre.

Dr. Jacobs, who resides with his wife, Nettie, at 454 Mariposa, was graduated with his medical degree from Rush Medical School in Chicago (then part of the University of Chicago) in 1936.

After two years internship in the Los Angeles County Hospital, 1937-38, Dr. Jacobs began his general practice in the offices on N. Auburn formerly occupied by the much-esteemed Dr. Jackson.

He erected his present quarters in 1945 and has since practiced there.

Nelson Back From Kiwanis Conclave

Henry A. Nelson, president of the Sierra Madre Kiwanis Club, has returned from Toronto, Canada, and Cleveland, Ohio, after having attended the 46th annual convention of Kiwanis International in the former city.

Rattlers Aplenty

The rattlers are staging their mid-summer invasion. Police Officer Bill L. Keith dispatched one on Chantry Flats Rd. Tuesday, and Mrs. William H. Sorenson reports a three-foot snake on her property at 2224 N. Santa Anita. It escaped before Officer Al Lindkins arrived.

Lee Shippey Writes On Realism

WATCHING James Cagney in "Come Fill the Cup" on TV, other night, I couldn't help thinking how little the public realizes the agony and ecstasy that go into the creation of a book.

Harlan Ware, who wrote the novel from which that movie was made, lived about two miles from us while in the throes of writing it. Harlan is an ardent spirit, passionate in his espousal of causes in which he believes, and I never knew an author who lived every episode in a novel as completely as Harlan did.

He wanted to write a story so romantic and dramatic a multitude would read it, and yet so forceful that tens of thousands of them would take to heart the tragedy which could result when an exceptionally gifted young man who thought he was merely being gay and debonair, suddenly found he had become a drunk.

HARLAN GOT so intense while writing that he had to take a break now and then, and at such times he got in his car and called on either the Bob Footes or us, often reading us what he had written, to watch our reactions.

All that came back as we watched the show the other night. No doubt a few million viewers, coast to coast, saw the picture and thought of it as just another program—better than most, but still just a picture.

One TV program pushes another out of mind so fast that in this season of repeats we continually see pictures we saw only a few months ago but have completely forgotten.

But as we watched we were back with Harlan, excited by his burning desire to save young Americans from dangerous folly.

I hope it had such effects.

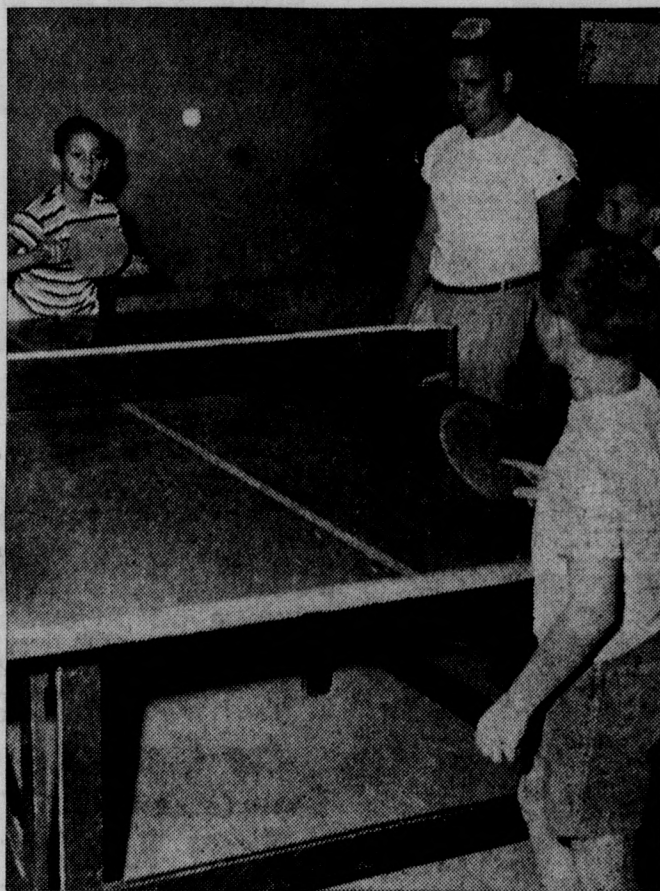

But Harlan himself is the only complete convert I happen to know personally. Last time I saw him, a couple of years after he moved to sophisticated Carmel, he hadn't had a drink for several years.

Get U.S. Flag at Sierra Madre News

THE SIERRA MADRE NEWS, as a public service, obtained a supply of the new 50-Star American Flags, each equipped with detachable pole, and with a holder which can be attached to your porch, house, store or place of business.

The last of this supply was sold Tuesday—there was a rush for these flags which come already packaged so that they are easy to carry home.

Now the NEWS has arranged for another supply which should arrive by tomorrow, and will place them on sale at cost—\$4.50 each—at the office at 9 Kersting Court.

Every home or place of business in Sierra Madre, Hastings Ranch, the Oaks-Highlands section and the Rosemead-Foothill areas should have a 50-Star American Flag. GET YOURS AT THE NEWS OFFICE.

Three Teams To Meet at Vista Pool

Swimmers from El Monte and San Gabriel invade Sierra Madre Saturday at 9:30 a.m. to challenge the local swim team at the Sierra Vista Park Pool.

Diving competition will start the meet, to be followed by the swimming races at 10 o'clock. With three teams participating, the scoring will be done in a double dual meet fashion; so actually there will be two meets going on at the same time—Sierra Madre against El Monte and Sierra Madre against San Gabriel.

The meet against Arcadia last Saturday was the best team effort of the summer season. The final score was 190 points for Arcadia and 160 for the Sierra Madre swimmers.

If the diving points were subtracted from the meet score, Sierra Madre would have come out just five points short of winning.

BEST TIME of the day was in the 100-yard freestyle churned in 1:00.1s by 15-year-old Steve Tallman, a newcomer on the team this week. Eight-year-old Tommy Nickoloff swam a fast 25-yard freestyle; his time was 19.4s.

Other point winners for Sierra Madre were:

Boys, 7 and 8—Mark Brown, 4th, 25-yard free; boys, 9 and 10—Steve Kromka, 4th, 50-yard free; Jamie Azdair, 1st, 50-yard free; 1st, 50-yard breast; Greg Bealer, 2nd, 50-yard free; 4th, 50-yard butterfly.

Boys, 11 and 12—Frank Kromka, 3rd, 50-yard breast; John Nickoloff, 3rd, 50-yard

Steele Faces Trial For Murder of Wife

Ralph Jackson Steele, 64, engineer and former prize-fighter, committed to Atascadero State Hospital two years ago after his divorced wife, Mrs. Isabella Fraser Steele, was found dead—beaten about the head, shoulders and upper body—in their bungalow home at 385 N. Baldwin, faces Superior Court, Judge Burton Noble presiding, next Monday, on charges of murder.

Steele, after his stay at Atascadero, has been ruled sane, according to medical

authorities, and so must stand trial.

The Steele's had been divorced at the time, after a trial marked with much bitterness. Mrs. Steele accused her husband of beating her and he, in countersuit, accused her of misconduct with Atty. Robert H. Aarons of 15

Came to Buy a Flag —and Told of 'Barbed Wire' in Czechoslovakia

Czechoslovakians today are surrounded by the "barbed wire" of Russian Communism, both physically and mentally.

It has shrunk and circumscribed their daily living—and thinking—to the point where in a great and distressing measure, the Czechs, once a splendidly free, loving and independent people, have become the automatons of Red Moscow and its Godless atheism.

This has been borne indelibly upon rose-cheeked Anton Zednik and his buxom wife Mary, now in their sunset years, and residents at 352 N. Grove, Sierra Madre, but whose birth and roots extend back to childhood days in the city of Pacov, a small, once-thriving rural settlement in South Czechoslovakia, near the Austrian border.

THE LOSS of freedom by the Czechs and the gain of freedom as exemplified by the United States, is deeply imprinted in the minds of the Zedniks through the

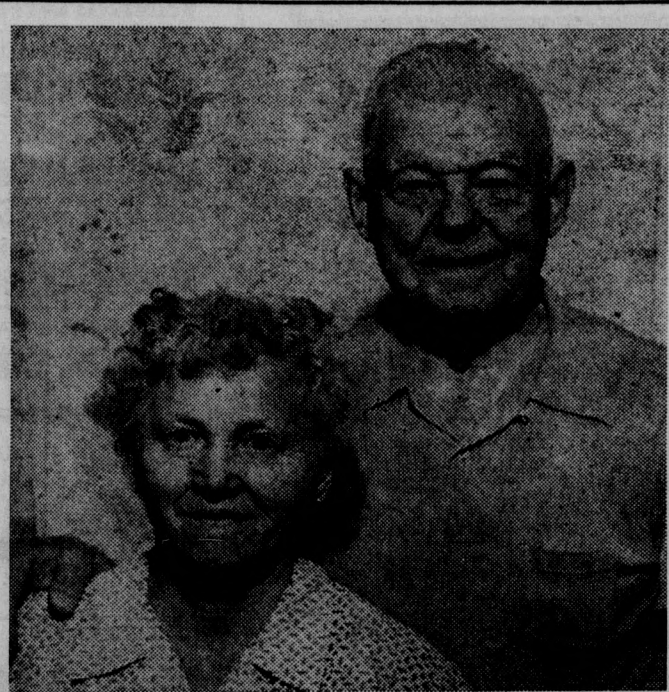

plight of Anton's cousin's wife back in Pacov, and by their own residence in Sierra Madre, she since 1922 and he since 1942.

Mrs. Zednik came to Los Angeles in 1899 and Anton, a machinist, arrived in Chicago in 1904 five years afterward. Later, they were to meet again, to marry in Chicago and subsequently to rear a family of five children in Sierra Madre. Now he is 85 and she is 75.

"Now we have grandchildren," remarked Mrs. Zednik, as she and Anton smiled happily.

But a cloud crept across her countenance as she described the plight of her husband's cousin's wife in Communist-beleaguered Pacov.

THIS WOMAN, hemmed in by Red tyranny and restrictions that are inconceivable to Americans generally, suffers from leukemia—the loss of red blood corpuscles—or cancer of the blood, as it is more widely known. Red-decreed, you eat through food cards issued by the Red-controlled puppets

Mr. and Mrs. Anton (Mary) Zednik

bossing Pacov. You get little or no meat, particularly liver, which is the meat needed most to help combat leukemia.

For months now, the Zedniks have been forwarding a doctor's prescribed treatment from Sierra Madre to Pacov.

This is addressed to a physician in Pacov—only in this manner can they be reasonably sure that it will reach the woman fighting for her life there in the little Czechoslovakian town—otherwise, it would be confiscated "For The State."

This has cost the Zedniks plenty of money, but Anton and the good Mary feel that it is part of what they pay for the priceless freedom given them in America, a land "minus barbed wire."

AND SO, the two, Anton and Mary Zednik, came to the SIERRA MADRE NEWS office last Friday and purchased one of the new 50-star American flags which this newspaper has placed on sale.

They smiled as they carried it away—it was so precious to them—and somehow the writer smiled with them.

Once again, we realized, jubilantly so, that **FREEDOM CAN BE IMPERISHABLE**. But only if it is **Appreciated, Defended** and if necessary, **Fought For**.

P. O. Dedication and Pioneer Days Top Dazzling List

Sierra Madre will bust out all over its civic self during October, destined to be a "most eventful month" in the city's history.

The month will be marked by a succession of stellar events calculated and planned to enthrall the townsfolk and to attract thousands of visitors from the surrounding Foothill areas.

Here is a list of the "Big Five" attractions as now planned:

- 1—The Lions Club will stage its annual Pioneer Days (2-day) celebration on Friday and Saturday, Oct. 27 and 28.
- 2—This will blend in with the city's Halloween observance.
- 3—October should mark completion of Sierra Madre's new \$120,000 Post Office on S. Baldwin, just below Sierra Madre Blvd., and Postmaster Charles E. Louk already is preparing for stirring and noteworthy dedicatory ceremonies in which city, county and Federal authorities will take part.
- 4—Merchants will stage their annual October Dollar Days, offering an all-out galaxy of attractive bargains at thrift prices.
- 5—The Sierra Madre Chamber of Commerce is planning a special dinner honoring its new members.

President Charles Waters of the Lions Club; former President Joseph Delgatto and Frank B. Barbour promise "the biggest and best yet" Pioneer Days celebration. The parade this year may have a Halloween motif because of the proximity of that festive occasion. There will be the usual carnival on the grounds adjoining the Woman's Clubhouse at 270 W. Sierra Madre Blvd., and a host of other attractions.

ONE of the events of Pioneer Days will be White Cane Day when proceeds from the sale of these "Canes of Kindness" will go to the blind.

Construction of the new Post Office proceeds rapidly and Postmaster Louk hopes that the dedicatory can be held in October, possibly in the same week as the Pioneer Days celebration.

The dedicatory will bring together the various service clubs, notably the Kiwanis and Lions, the Civic Club, city officials, and various other authorities in a program now being arranged by the postmaster and his assistant, Guy Mossi.

PRESIDENT John H. Curtis of the Chamber of Commerce reports inception of plans which he hopes will lead to a special dinner honoring new members of that organization.

Ralph G. Hurwitz, promotion director of the Merchants' Division of the Chamber of Commerce, promises that the October Days will provide patrons with the best yet in the way of mercantile bargains.

Fred La Lone Councilmen Will Captain Using Knife Rescue Team On Budget

In accordance with the agreement made some weeks ago, Fred La Lone, commander of the Sierra Madre Search and Rescue Team, has been appointed captain of the famed organization by Sheriff Peter J. Pitchess. Capt. La Lone had already been continued in his office by team members.

This formally ends the dispute in which the sheriff attempted to take over direct control of the Sierra Madre team and in which he was disappointed in his purpose through public opinion and directions of several of the County Board of Supervisors.

Capt. La Lone has named his brother, Edward La Lone, as first lieutenant; Bill Wark and Minor Harkness as sergeants, he announced yesterday.

Ski Club Meets

Plans were made for their next three water ski meets, first of which will be held at Refugio Beach State Park near Santa Barbara the weekend of July 29-30.

MR. AND MRS. RUDOLPH (MYRTIE) HARTMAN were hosts at a family reunion for 53 members of Myrtie's family at the Hartman home, 460 N. Lima St., on Sunday, July 2.

This is the first time in family history that the entire clan has been together, and it was a memorable day for everyone there.

All members contributed to the Pot-Luck dinner and were seated at tables according to their respective generations, as follows:

MR. AND MRS. BERT EMBREE (he's our fire marshal for S. M. Volunteer Fire Dept.) with family, Donald, 12; David, 10; Cindy, 9, and Walter, 6, left last Saturday for school and vacation.

Bert will attend Fire Prevention School, the state meeting at Cal-Berkeley Campus for fire prevention, arson and investigation and public relations. School is sponsored and coordinated by California State Fire Training Program. Tom Ward is Southern California's coordinator. The family will stay with Bert's uncle, Bill Egbert, and his wife at Walnut Creek.

After school, they'll take off for a week's vacation in the High Sierra to relax and try a hand at fishing, returning by the way of Carson Pass.

WADE BOND celebrated his eighth birthday anniversary July 12 in Sierra Madre Park with a picnic lunch, a birthday cake, baseball and games. His mother, Mrs. Alice Evans, supervised the fun with three of his friends, Paul Paulson, Keith Paulson and Dickie Corb, all of Sierra Madre. Wade's official birthday is on July 15 when he received a handsome new bicycle from his mother.

GWYNE BECKER with mother and sister, Mrs. Eulalia Foft, Llewellyn Foft and Dorothy Baumbach enjoyed the program and performance of the "Turbulent 20's" at Hollywood Bowl recently. Mrs. Baumbach, who is manager-owner of Crestview Lodge in this city, visited in Redondo Beach July 9, to help in festivities celebrating her daughter, Donna Jensen's, birthday anniversary.

MR. AND MRS. JOHN N. DIRKS, the former Judy Green, of 64 W. Laurel Ave., Sierra Madre, announce the birth of their first child, James Donald Dirks, born July 11, at 3:47 p.m., at Huntington Memorial Hospital and weighing in at 9 pounds, 5 ounces.

Newlywed Shackelfords Now at Home to Friends At E. Laurel St. Address

Newlywed Mr. and Mrs. Ray Shackelford are "at home" to friends at 78 E. Laurel, Apt. C, following their wedding June 24 at 8 p.m. in Sierra Madre Congregational Church.

Daughter of Mr. and Mrs. Robert F. Wortham of 422 E. Highland, Mrs. Shackelford is a graduate from Pasadena High School. The bridegroom, son of Mr. and Mrs. R. R. Shackelford of 400 W. Carter, is a graduate from Pasadena City College.

The bride's gown, created by her grandmother, was of white polished cotton, scooped-necked, overlaid with white silk organza and embroidered lace, was floor-length with a chapel train, and her double-tiered veil, caught by a lace crown, fell to her fingertips. She carried white roses and carnations in a formal bouquet.

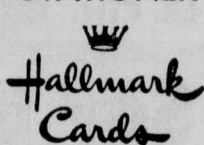

THE BRIDE'S sister, Michelle, was flower girl in a floor-length pink gown overlaid with pink net; she preceded the bride scattering rose petals down the candlelit aisle.

Rev. Hesse Receives Call From Emanuel Lutheran Church in Santa Barbara

"It is essential today that every governmental position, office, commission and agency be occupied by individuals with a remarkable spirit," said Rev. Armin Hesse in announcing his sermon message for next Sunday's 9 and 10:30 a.m. services at Faith Lutheran Church, 835 Hastings Ranch Dr.

The sermon theme will be, "Needed—People With a Remarkable Spirit!" based on the words of Daniel 6:3: "This Daniel was preferred above the presidents and princes because an excellent spirit was in him; and the king thought to set him over the whole realm."

The pulpit message will constitute the sixth in the pastor's summer series on the Book of Daniel. It will demonstrate by precept that a foremost need of all in governmental, military or civilian life in our nation today is the guidance and direction of the Holy Spirit.

FREEMAN ROBBINS, president of Faith Church, announced last week that a special meeting of all communicant members of the parish will be held at 7:30 p.m. on Tuesday, Aug. 1, to view and discuss preliminary plans and elevations of the new church sanctuary. The illustrated-slide presentation will be made by Architect Culver Heaton.

Last Sunday, Rev. Hesse informed the congregation that he had received a call to the pastorate of Emanuel

Rev. Swengel On Vacation

Rev. Clinton W. Swengel, pastor of the Sierra Madre Methodist Church, will leave on vacation, and attend the Pittsburgh Conference of the Methodist Church from Aug. 5 to Aug. 12, following the worship service Sunday, July 23.

Rev. Swengel was honored and re-invited to participate in the Family Life Program, directed by Dr. Edwin Staples, national director of Family Life of the Methodist Church, by giving a series of daily lectures.

The Family Life Program stresses the importance of clear emphasis of the Bible, in that the family is God's primary religious institution on earth, and it is in the family that Christian living is won or lost.

REV. SWENGEL accepted the invitation when he was serving the Yuma Methodist Church, though he was to be officially on vacation with his wife, Mary, and daughter, Melissa.

Rev. Swengel will be on vacation during the last week of July, and the first three weeks of August. His sermon topic Sunday, July 23, is "The 23rd Psalm." The Lord is my Shepherd. Worship service at 9:30 a.m.

"TELEVISION PRODUCTIONS" by Trinity Clipper Club is the title of the group's clever progressive dinner Saturday night. Tuning in Channel 1 at 7 p.m., the Clipper couples will visit Hong Kong (the Wayne Brannon home), for the first course of Oriental Delights. Authentic Oriental heirlooms will set the mood. Particularly eye-catching is a wall hanging of hand-embroidered dragons on a green silk background.

Then it's off to Cimarron City (the Robert Campbell home), at 8 p.m., for sizzling Western style filet mignon! And finally Channel 3 for Hawaiian Eye dessert, Jane and Bob Jones home, (Clipper's prexy). Their wonder-

ful raised deck patio will be aglow with Tiki torches. Sounds as though TV (Clipper Club style) is better than ever!

CATCHING UP... if your family had a part in consuming the millions of pancakes served at the community breakfasts Saturday morning, June 17, you'll be interested in these statistics: The YMCA breakfast on the Market Basket parking lot raised \$600 toward the much-hoped-for establishment of an East Pasadena "Y."

The new International House of Pancakes, opening the same day, donated the day's "take" to the Child Guidance Clinic of Pasadena. Instead of the anticipated \$2,000, they made \$6,000!

BETTY MAZZACANO returned from a quiet hospital sojourn to a happy household of eleven; Visiting from Chicago were John's mother, Mrs. Mary Mazzacano; brother-in-law, Ted Soboleski with young daughters, Mary Louise and Michaelene.

MAC AND PATTY McCALIN, former Ranch residents who have spent the past year in Boise, are moving back to our area. In fact, the popular couple and their daughters, Joan and Nancy, have been entertained at a number of Ranch homes, including those of:

Rosalind and Al Pryor, Belle and Jack Partch, Jan and Dick Fichtelman, and Jean and Harry Langstaff.

THE PARTCHS, by the way, are busy remodeling their home this summer. However, Belle admits they sneak an occasional weekend at Corona!

TRAVEL TALK: Mrs. John Fortier and daughter Julie, visiting relatives in Canada for two weeks, report it's cold up there!

Mrs. Lee Campbell and youngsters, Bruce, Emily and Margery, visited her parents in San Jose, and then Lee joined them and off they went to Lake Tahoe.

MR. AND MRS. CHARLES HURTER and their three daughters have returned from Chicago and Philadelphia. The Robert Box family vacationed at Catalina Island!

UPPER MEDFORD TERRACE (as it's sometimes called), was recently the scene of a lovely patio party at the John DuBois home. Mr. and Mrs. Don Satuloff were co-hosts, and invited guests included Messrs. and Mmes. Victor Harris, Don Melvin, Neil Conroy, Robert Stringer, Duane Strong and George Mannschreck.

THE FRANK BENNETTS of Newhaven Rd. have returned from Canada, where they visited their son, Richard, a missionary in the Mormon Church. Richard began his two-year missionary assignment last October, and his parents are justly proud of his selection for this task.

MR. AND MRS. BENGT JUNVIK are back in their Landfair home after a ten-week visit to Mr. Junvik's native Sweden. They went over last April (with youngsters Kathy and Bruce in tow), aboard the liner Kungsholm... and returned by jet.

Highlight, and purpose of

the trip, was a family reunion of the 13 Junvik brothers and sisters. Obviously, it was a great success since the three Junvik families living in the Southland were able to join the ten in Sweden for a wonderful get-together! Seven-year-old Bruce learned to speak the language, and is anxious for a return trip. Mr. Junvik operates an aircraft forging die shop in El Monte.

JOE AND SUE CUMMINS will host the Trinity Schooners cookout-swim party Sunday afternoon. They'll be ably assisted by the Ken Smiths and Frank Colets. Planning to join the fun are Messrs. and Mmes. Robert Bridges, Al Bergh, Les Barkley, Warren Bray, Richard Cannon, Lloyd Donahue, Robert Espe, Ray Heinz, Bud Howell, Robert Goebrecht, Edsel Curry, Horace Rays, Jack Steffens, Ed Thomas, Wes Williamson, Rolly Whitehead, Dan Taylor, Pete Hurtig, Draper Jennings, Carl Johnson, C. R. Miller, Woody Moore, and Rev. and Mrs. Don Ostrander.

VILLA VIEWS

By Toni Maurin
SY. 7-9634

I've hardly had time to sit down and think for the past three weeks. As I have said before I am a compulsive jelly and jam maker. As a result I also am a collector. I collect jars and tops, none of which seem to match the other.

Now to collect jars takes quite a lot of room, of which I have none. I store them high on a shelf over my ironing board. You'd be surprised just how far a glass jar can ricochet when dropped from the height of seven feet.

I will say that in the last three weeks I have had the cleanest floor in town. I'm always cleaning up broken glass.

Guess I could take up stamp collecting—it's safer at least! Oh, well, I've lived through the strawberries and boysenberries. I'll be safe till the apricots and

peaches, and then—who knows?

THE FAREWELL parties continue on these hills and each one makes me sad when it means a permanent moveaway from our area. The most recent was given for Mr. and Mrs. George Clark of Old House Rd. They will soon be deserting our hills for the beach area.

They were feted at a swimming and dinner party given by Mr. and Mrs. Charles Klingerman of Wynn Rd.

Guest list included Mr. and Mrs. Ralph Paquette, Mr. and Mrs. Carl Mounteer, Mr. and Mrs. Ben Rogers, A. J. Huber, Mr. and Mrs. Arturo Gutierrez, Mr. and Mrs. John Eppard, Mr. and Mrs. George Amthor, Mr. and Mrs. Robert Gingrich, Mr. and Mrs. Robert Russell, and Mr. and Mrs. Ernest Maurin.

sets as a going away gift.

MR. AND MRS. GEORGE SANDERS of Old House Rd. feted Mr. and Mrs. Raymond Knittle recently. Occasion for the party was Mrs. Knittle's retirement and their departure for a year's trip around the United States. There were 50 people present and a gift of long-green was presented to Mrs. Knittle to add to the trip kitty.

Cocktails and a buffet dinner were served during the evening. Immediately following the party, the Sanders joined the Knittles at Idylwild for a four-day vacation with their son and daughter.

MR. AND MRS. DON F. BRESHEARS of 1646 Sierra Madre Villa are finally getting settled into their beautiful new home. Their swimming pool is just on the verge of completion and then Mrs. B. says they can get landscaped and furnished.

Model Concrete House Is Being Built Here as Part Of Nationwide Contest

Sierra Madre has joined a group of 100 cities participating in the new nationwide model home program sponsored by the combined concrete industries.

A concrete house to be built at 440 Mariposa Ave., in Sierra Madre, by the Greg Snyder Development Company

of Pasadena will be entered in the National Concrete Industries Horizon Homes program. The Sierra Madre project completes a total of 11 concrete model homes slated in California in the program, four of them in the Greater Los Angeles area.

Announcement of the Sierra Madre model home is made by Warren G. Burres, Portland Cement Association district engineer, in charge of coordinating Horizon Homes in California.

the architectural firm of Bissell & Duquette, AIA, with Donald V. Kendall as structural engineer. The Southern California Ready-Mixed Concrete Association is supplying ready-mixed concrete for the house, and concrete masonry is being furnished by the Curtiss-Merrill Concrete Products Company of Santa Fe Springs.

The Horizon Homes Program is a national competition and participation in the program automatically enters Builder Snyder and Architects Bissell and Duquette in a contest in which the grand prize is a trip to any place in the world.

Snyder's merchandising program for the concrete house will be judged by a group from the National Association of Home Builders. A panel of members of the American Institute of Architects will judge the architects' design. Both the AIA and the National Home Builders group are cooperating organizations in the program.

ALL OF THE HOMES will be opened to the public for showing during National Home Week, Sept. 23-Oct. 1. The Sierra Madre Horizon Home is being designed by

Photograph Of Baldwins On Display

The central figure of the fifth of a series of historical exhibits on display in the rotunda of the Los Angeles State and County Arboretum throughout July is a large photograph of the E. J. (Lucky) Baldwin family made about 1900.

This glass-enclosed exhibit was prepared by the Arcadia Historical Society's display committee comprising Bruce R. Wetmore, chairman; Edna B. Lenz, Arcadia artist, and E. J. (Jack) Fawcett of Alhambra, grand-nephew of "Lucky" Baldwin.

In the Baldwin family portrait are Evaline Baldwin Fawcett's (Baldwin's sister), and her husband; "Lucky" Baldwin himself, his eldest daughter, Clara Doble, and her husband; Bud Doble, and Bud Doble's mother.

ON EACH SIDE of the family photo are oil paintings of the Hugo Reid Adobe by Edna R. Lenz. They depict eras when Reid lived there is 1840, and when Baldwin resided there in 1900.

The Hugo Adobe, now restored as a State of California historical landmark, is one of the public attractions on the Arboretum grounds, once part of the famed Rancho Santa Anita.

\$3 Million Likely For 'Fire Roads'

A \$3 million increase in Federal aid allocation for financing construction of fire access roads in the Angeles National Forest as requested by Los Angeles County has been supported in the Senate, Supervisor Frank G. Bonelli announces. Bonelli has received word from Senator Clair Engle that the Senate increased the Forest Service appropriation for access roads from \$1 million to \$4 million, he said.

"Progress and headway toward procuring additional fire-fighting access roads in the Angeles National Forest appears most favorable now," the supervisor declared.

Bonelli received the following telegram from Senator Engle:

"At my request, the Senate increased the access road item from \$1 million to \$4 million in the Forest Service appropriation. Bill is now back to the House."

FOLLOWING UP on the prospective Federal appropriation chances, Bonelli has sent telegrams to members of the Los Angeles County Congressional delegation, particularly Rep. Glen Lipscomb (R-24th District), member of the House Appropriations Committee, and Majority Floor Leader John McCormack, seeking support for concurrence of the Senate action on the added appropriation.

Bonelli appeared last May before the Senate Appropriation Committee

AFTER SERVING two years on the staff of the Mission Society in Los Angeles, he retired and went to Japan to spend 18 months with a son, who is on the staff of the U.S. Education Mission in Japan, commonly referred to as the Fulbright Commission.

His other son is a teacher in New Hampshire. Father Green also has been a teacher at a boys boarding school in the East. Mrs. Green passed away in 1951.

During the rector's absence, Father Green will be in charge for the next two weeks, July 16-July 30.

100-Grander Will Feature Charity Week

Charity week at Hollywood Park will be climaxed Saturday, July 22, by America's first 100-grander of the year for two-year-olds, the \$100,000 added Hollywood Juvenile Championship at six furlongs.

Topping the field for the big race will be the winners of three recent two-year-old stakes at the Inglewood track. They are Mr. and Mrs. L. I. Nelson's Snappy King, winner of the Westchester Stakes; Rancho Rio Hondo's Indian Blood, who won the Haggin Stakes, and Maine Chance Farm's Gun Glory, victorious last Thursday in the Charles H. Howard stakes.

Hollywood Park will wind up its record 55-day season Monday, July 24, with the \$75,000 Sunset Handicap at a mile and five furlongs, for older handicap stars at the venue.

DURING the current week, which Hollywood Park devotes to charity, all proceeds will go to welfare organizations of Southern California, including the Community Chests of 41 cities in Los Angeles County and the Community Chests of Orange and Ventura Counties.

Since Hollywood Park staged its first meeting in 1938, \$11,421,340 has been raised by charity racing and direct Hollywood Turf Club gifts and distributed to several hundred welfare agencies of Los Angeles, Inglewood and vicinity.

Racing patrons of Hollywood Park through their participation in charity days at the track in past years have raised \$8,696,530. The Hollywood Turf Club has contributed an additional \$2,724,018 out of its earnings, its policy for some time having been to contribute annually 5 per cent of its total corporate profits before taxes, which is the full amount allowable by law.

(b) Upon failure of any person billed or the owner of a premise to pay any sewer service charge prior to delinquency, any one or more of the following actions may, or when required hereby must, be taken by the City or City officials to enforce such payment, subject to the provisions of paragraph (a) of this Section.

1. Each sewer service charge levied by or pursuant to this Chapter on any premise within the City limits of the City is hereby made a lien upon such premise and any steps authorized by law may be taken by the City to enforce payment of such lien.

2. In each case where any bill for both water service and sewer service remains unpaid for 30 days after such bill becomes delinquent, the Water Superintendent, upon notification of such delinquency by the Water Collector, shall disconnect the premise from the municipal water system, and he may also disconnect the premise from the municipal sewer system. When-ever a premise has been disconnected from either the municipal water system or the municipal sewer system, or both, the City shall not be responsible for the payment of water or sewer service charges, such premises shall not be reconnected to either the municipal water system or the municipal sewer system until all delinquent charges and penalties have been paid together with such reasonable charges for reconnection as may be ordered.

Garcia, Orioles; Pat Tahl, K. Agee, B. Kennedy, J. Porter and R. Berkshire, Red Sox; J. Barkley, W. Goffrey and J. McRobert, Indians; J. Andrews, of the Dodgers.

High honors also go to Pete Gonzales, R. Hubick, B. Tonge and A. Vocelka, who were nominated for their fine playing and contributions during the year. However, due to tournament rules they will not be able to join the team, since only 18 boys can officially be on a team.

Bud Hartman is the team manager, and has been assisted by the managers and coaches of all the teams during the past two weeks' practices.

Four Men Jailed, One Cut During Canyon Fracas

Three young Marines from Camp Pendleton and a Sierra Madre resident were arrested on charges of disturbing the peace early Sunday following what officers say was a drinking party and fight in the Canyon. One of the Marines was treated at Sierra Madre Community Hospital for a two-inch scalp cut when he was struck with a bottle.

The arrests were made by Sgt. H. A. Christensen and Officer S. G. Baney after the latter had been summoned to E. Alegria by word of an altercation there.

Sgt. Christensen arrived to assist Officer Baney in taking into custody Dewey King, 20; George L. Farris, 20, and the latter's brother, a juvenile, all of Camp Pendleton, and Patrick Bridges, 27, giving a Brookside Lane address. It was King who suffered the head cut.

Mrs. Bencotter Back at Duties

Mrs. Beulah Bencotter of 173 Vista Circle, wife of Police Officer David G. Bencotter, has returned to her duties at First Western Bank following an operation on one foot performed at Sierra Madre Community Hospital.

Faces Check Rap

Jerry Willis Firebaugh, giving his address as 581 Alta Vista Dr., and his occupation as cook, was taken into custody last Friday and held for Santa Barbara authorities on a bad check charge.

ON AIRCRAFT CARRIER

Robert J. Polito, seaman, USN, son of Mr. and Mrs. Frank A. Polito of 2000 Vista Ave., Sierra Madre, is serving aboard the USS Lexington, aircraft carrier operating out of San Diego.

Ranch All-Stars play the Pasadena Americans at 5:30 p.m.; on Friday, Sierra Madre Little League All-Stars play the Pasadena-San Marino Nationals; and on Saturday, the winners of both games will play at 4:30 p.m. to determine the champs of Little League Area No. 3.

Firemen in Program of Preplanning

Preplanning to fight fires in specified areas in Sierra Madre is being advanced by the Sierra Madre Volunteer Fire Department under Chief Charles E. Brown.

Last Friday night's weekly drill centered about the Acacia, Camillo, Foothill and Sturdevant Dr., or Foothill area. All equipment was brought into use during the drill.

The preplanning affords officers and men some idea of how to attack a fire should one break out in this area. During the business meeting following the drill, the various captains detailed their views on the drill. A discussion of the various phases of the drill followed.

NORRIS K. NORRIS has resigned as a member of the department, and for the first time in 40 years the name of Norris will not be on the department roll. Norris' father resigned last year after serving the department for 39 years. He was the last active charter member of the department.

Larry Brennan, member of the auxiliary, was elected to fill Norris' place. Edward Garcia was elected to the auxiliary.

considered State Employees Retirement costs, capital improvements projected at the Sierra Vista Park and Library expenditures. The consensus seemed to be that a general retrenchment will be necessary in many quarters.

The Library will get its air-conditioning, paving at the rear and \$3,000 for books, a radical departure from the request of its board. Whether city police will receive a raise remains to be seen, though Council is endeavoring in every way possible to bring this about.

in view of the low rate prevalent here in comparison with other Valley cities.

Lee Shippey Column

(Continued from Page one)

WHILE I'M reminiscing, in 1920 I went to the Hotel del Coronado to interview Vice President Marshall. I was still with him when another reporter came in and I lingered to see if he picked up anything I had missed. His first question was how long would the vice president be in Coronado and where else in California would he go? "Will you go up to the City?" the reporter asked. "Which city?" "Oh, excuse me. Here on

the coast, San Francisco is the place we mean when we say the City."

That still was true as far south as Santa Barbara ten years later, but then a few independent Southern Californians began calling Los Angeles the City. And lately I have observed that when most persons living south of Camp Pendleton speak of the City they mean San Diego.

WE DO A LOT of looking backward as we grow older. But then many of us don't have much else to do except adjust our time to the schedules of doctors and dentists.

PEACE CONFERENCES

were invented before gunpowder was, but have made practically no progress, while armaments have progressed from battleaxes to atomic warheads.

Steele Faces Trial

(Continued from Page one)

apparently dead under the house at the time, police reported. The attorney was treated at Huntington Memorial Hospital for head injuries.

At that time Lt. Charles W. McGowan of the sheriff's squad said that "The weapon used to kill Mrs. Steele may have been the hammer used to attack the attorney." Mrs.

Steele's body was found under the house.

Through the divorce settlement, Mrs. Steele received all the couple's community property, including the nine-unit bungalow court where she lived. Steele continued to occupy one of the units. He received a 13-year-old automobile and she was ordered to pay him \$10,000 in \$100 a month installments. They had three children.

FORMERLY, Mrs. Steele was auditor for the Southern California Associated Newspapers and in 1951 campaigned unsuccessfully for a post on the Sierra Madre Board of School Trustees. The Steeles were divorced in 1955.

Councilmanic 'Niceties'

The task of being a city councilman requires a lot of "niceties." These "niceties" entail not only a full measure and devotion to the job itself, but also an attention to the manner in which it is done.

One is to make certain that the public assembled in City Council Chambers is able to hear distinctly every word uttered by the councilmen, including the mayor, the city attorney and the city administrator.

There are amplifiers there for this purpose—they should be used at all times.

The presiding officer—the mayor—should see to it that those of the public who attend the meetings and who speak should use the amplifier facing the councilmanic dais.

STILL FURTHER—and this is equally as important—every councilman or city official sitting in at the meetings, should speak slowly and clearly enough so that there is small danger of him being misquoted by the press.

There has been a tendency of late toward this—and it should be stopped.

Let the Sierra Madre Council do this so that "The People May Know." It will be well for our councilmen and city officials to remember—and not forget—that it is the people who pay the taxes.

The Sword of Patriotism—And Our Educators

Is the American patriot a vanishing species? And has our educational system been the chief factor in the disappearance of militant Americanism?

Dr. Max Rafferty, fresh out of the desert country where men have time to think—and ponder—and now La Canada's new superintendent of schools, poses this question, vital not only to the safety but the continuation of the American Republic.

In a lengthy speech, "The Passing of the Patriot," Dr. Rafferty has provoked sufficiently spirited discussion that cannot help but invoke some soul-searching among "Milk Toast Americans," especially the mistaken, misguided "Pinkos" and their fellow-travelers as well as those who have considered our schools "the acme of educational perfection" when they have been anything but that.

SPEAKING OF our youth and their teachers, Dr. Rafferty remarks that "had they been taught to love their country with the same passion that inspired other generations of American youth, they would not now be wondering what all the fuss is about. They would know that their country is in danger, and that would be enough. It was enough in 1861, and 1917, and 1941. It's not enough today. Too many of them neither know nor care."

"It's our fault, and this is what frightens me. What will history have to say of my generation of educators—the generations of the 30's, the 40's and the 50's? We were so busy educating for 'life adjustment' that we forgot to educate for survival. Worse still, we forgot that the first duty of a nation's schools is to preserve that nation."

"Words that America has treasured as a rich legacy, that had sounded like trumpet calls above the clash of arms, and the fury of debate, we allowed to fade from the classrooms and the consciousness of the pupils."

"OUR SIN was greater than this, however. Patriotism feeds upon hero worship, and we (school authorities) decided to abolish heroes. Even the nursery rhymes, poor innocent little things beloved by generations of school children and which had come down to us from time immemorial, were pronounced 'too violent' and 'sordid' for the children to hear until after we had tinkered with them."

"The fairy tales we felt were far too crude, and so we neutralized and dehydrated 'Hansel and Gretel' to the status of children on a Sunday school picnic, and Jack and Jill to a schoolboy swatting flies. Everything that was fearful and wonderful and glamorous we leveled off to the lowest common denominator."

"HOW LONG has it been since California children learned to sing 'Columbia, the Gem of the Ocean'? And why was it dropped? Because someone—probably in the State Department of Education—decided that the lines which end, 'The Army and Navy Forever! Three Cheers for the Red, White and Blue,' were hopelessly out of place in our brave new world of foreign aid, and peaceful coexistence and collaboration."

"I say that we had better thank God for the Army and Navy! And—with half the world at our throats—we had better teach our children that it is not a disgrace, but a priceless heritage to wear our country's uniform."

TOUCHING ON the results of present-day education, Dr. Rafferty points out that "the results are plain for all to see: the worst of our youngsters growing up to become booted, sideburned, ducktailed, unwashed, leather-jacketed slobs, whose favorite sport is ravaging little girls and stomping polio victims to death; the best of our youth coming into maturity for all the world like young people fresh from a dizzy roller-coaster ride, with everything blurred, with no positive standards, with everything in doubt. No wonder so many of them wretch out and squeal and turn traitor when confronted with the brutal reality of Red military force and the crafty cunning of Red psychological warfare."

"WE AS A PEOPLE have been taunted and reviled and challenged in the last few years—and months—as we thought no one would ever challenge us. A soulless Thing slavers at us today on all continents, under all the seas and out into the void of interplanetary space itself—a rotten, hateful, vicious entity."

"Our nation's nose has been first tweaked and then rubbed contemptuously into the dirt. The flag for which our ancestors died has been torn down and unspeakably defiled by a dozen little pipsqueak comic-opera countries emboldened by our weak-kneed spinelessness and encouraged by our sneering Eneny."

"I don't know when at long last the American people will rise in all the power and majesty of their great tradition to put an end to this role of international doormat

OUT OF THE COBWEBS

52 YEARS AGO THIS WEEK, July 23, 1909—Sierra Madre now has a full-fledged Volunteer Fire Department, and nothing remains now but to supply them with apparatus and provide fire-plugs about the town to make the local system of fire protection as complete and efficient as is possible in a town of this size. And the latter will be done as fast as possible by the city fathers.

After canvassing list of the available material the officers began recruiting their forces and both hose and ladder companies were filled within a few days. The membership stands as follows:

Hook and Ladder Company—Roy Edwards, Louis Leopoldi, Harvey Steinberger, W. J. Goetzman, Henry Olsen, W. E. Bowen, Walter Brooks and L. A. Robertson. Hose Company—C. P. Sparks, P. C. Carter, S. D. Towne, J. H. Bradford, A. L. Robinson, C. L. Huston, I. L. Triple, W. R. Lees and J. Richey.

20 YEARS AGO THIS WEEK, July 17, 1941—Twenty-one Sierra Madreans who became 21 years old since last Oct. 1, registered for the draft as prospective selectees on July 1 at the Sierra Madre - Arcadia - Monrovia Draft Board 191. Their names and addresses are:

Joseph Haines Gryalva, 136 W. Highland; Stanton White Waddell, 425 N. Canyon; Charles LaMarr Seymour, 150 S. Michillinda; Albert Russell Kendall, 98 Victoria Lane; Marlow Virgil Marr, 57 Lowell; Thomas F. Solury, 527 Manzanita; Edward Blake Decker, 4 E. Sierra Madre Blvd.; Johnny Crippi, 51 N. Mountain Trail. Also Harry LeRoy Embree, 535 N. Auburn; Rudolph R. Hartman Jr., 460 N. Lima; Francis K. Bradley, 154 N. Mountain Trail; Walter Lawrence Figgins, 196 N. Sunnyside; Leslie Bernard Wynne, 273 Sturtevant, and Robert Anthony Colbert, 609 W. Alegria.

Also Ronald Wilson Pull-

which we have assumed of late, which becomes us so poorly."

IT IS HERE that Dr. Rafferty makes his point about today's educators and the schooling they are passing along to the American children. He says:

"But I do know one thing. When that time comes—and it cannot be far distant—we educators had better not be caught short."

"We had better not be caught withholding from the nation's children the wonderful, sharp-edged, glittering word of Patriotism. In a word, this means indoctrination. An ugly word? I think not. But if it is ugly to teach children to revere the great Americans of the past—to cherish the traditions of our country as holy things—and to hate Communism and its creatures like Hell—then I say let's be ugly and let's revel in it."

DR. RAFFERTY has spoken vital, soul-searing patriotic truths.

Through the months, the SIERRA MADRE NEWS has repeatedly spoken of these truths—of the necessity for our educators being "All-American" in a time when "All-Americanism" is imperative and paramount.

Now, Dr. Rafferty reinforces this admonition—call it warning, if you will.

We thank him for it.

11 YEARS AGO THIS WEEK, July 20, 1950—Sterling T. Rippe last night was elected 1950-51 president of the Sierra Madre Lions Club. He fills the vacancy created by the resignation two weeks ago of Al E. Morgan. Mr. Rippe, co-owner of the Grant Mortuary Chapel, was parade chairman of the 1950 Lions Club-sponsored Pioneer Day celebration. He had been vice president of the club. Elected first vice president last Thursday was Douglas Dickson.

City Clerk Lawrence B. Brain has offered his resignation as city purchasing agent and clerk of the Water Department to Mayor William A. Kinney. He would remain as city clerk. Although no one would say so, it was rumored the resignations were offered because of differences of opinion concerning hiring of City Hall help.

6 YEARS AGO THIS WEEK, July 21, 1955—Dr. Milton W. Valois was reelected president of the Sierra Madre School Board at the organizational meeting Thursday evening at City School. Mrs. Martha Coutant was reelected board clerk. Committee members appointed by Dr. Valois are: George Feichtmann, budget and financing; John Conzelmann, building and grounds; Mrs. Nathan Jacobs, personnel, and Mrs. Coutant, public relations.

Governor Again Advances Welfare State

By Henry C. MacArthur
(Capitol News Service—Special to the Sierra Madre News)

SACRAMENTO — Another step in government control of business in California was taken by Governor Edmund G. Brown when he signed SB-243, by Senator Hugh M. Burns, D-Fresno, which prohibits grocery stores from using "loss leaders," as they are called in the trade, in their business.

A "loss leader" is an item advertised, sometimes at less than cost, as a drawing card for business. Theoretically, it is supposed to draw customers into stores, thereby paving the way for sales and profits on other items.

Now, under Senator Burns' law, approved by the Governor, any action by the grocery store limiting the number of items a customer may buy, or selling these items for less than replacement cost, "will raise the presumption that the retailer intends to injure or destroy competition."

HOWEVER, the law in effect destroys the fundamental principles of competition as practiced in American

business. Competition is and has been the lifeblood of business for many years, and slowly but surely, it is being stifled in favor of Governor Brown's welfare state.

The Governor's signature on the anti-loss leader bill is only a small sample of what the government can do to the citizen and businessman, and is doing to the freedoms of man in the community of California.

It was to be expected that Governor Brown would sign the measure, as virtually all bills tending toward the welfare state have been approved by this ultra-Liberal Democrat who appears to believe that business exists for the sole purpose of supporting a horde of Civil Service non-producers and even more non-producers in certain segments of the citizenry who are thought to vote Democratic merely to continue the handout policy of the present Administration.

WHAT IS SURPRISING is that Senator Burns, who although he is a Democrat, would handle such restrictive legislation at all. The senator is a businessman himself and has been noted for his middle-of-the-road outlook on legislation.

The Governor's reasoning in signing the loss-leader measure is somewhat peculiar. He pointed out a large store could afford to sell a few items at less than cost, but the smaller store "could not compete without losing money."

He said the customer sometimes profited in the "short run," but in "the long run, vigorous competition assures the best price to the customer. The use of the loss-leader was a great hardship to the small store and in the long run, to the customer as well."

There was no explanation of how it was a hardship to the customer, so the assumption follows that Gov.

How about a Fair Break for Railroads?

we're asking your support for equal treatment by government of all carriers, including the railroads

The Association of American Railroads has drawn up a document called "Magna Carta for Transportation."

We're asking for public support of this common-sense statement on public transportation policy, hoping citizens will recognize that an entire industry that serves them is being deprived of its natural rights—and will want to help.

What to do? Ask your congressman to help restore to the railroads these "four freedoms":

- Freedom from discriminatory taxation
- Freedom from subsidized competition

Jackson Say Russ Favor Communism

"The man on the street," the ordinary man in Soviet Russia, generally speaks well of America but on the other hand—whether he is a "Card-Carrying Communist" or not—is convinced that Communism is best for him. In substance this is what

Dr. Lowell Jackson, former superintendent of Sierra Madre schools, told members of the Sierra Madre Kiwanis Club last Tuesday.

Dr. Jackson, with a number of other American educators, spent a month in Russia last year. They visited Moscow and other centers of population, but also went into the interior of the country for several thousand miles.

They were permitted, he says, to pick their own itinerary, but were carefully

steered away from the poorer sections of the country.

THE BETTER residences and higher paying positions were reserved for Communists who are largely outnumbered by the non-Communists.

Most of the churches, he said, have been turned into museums and Communism has become the state religion in Russia.

While millions of Russians are living in crowded quarters on limited food supplies

as compared with the peoples of the Free World, even so, their condition today is much improved compared with the days of the czars, and the people attribute this improvement to Communism, he reports.

DR. JACKSON'S topic was "What I Saw and Heard Behind the Iron Curtain."

During July he and Mrs. Jackson—who, before coming to Sierra Madre several years ago, lived in Twenty Nine Palms—have been occupying the Harry W. Lange residence at 529 W. Laurel. The Langes, for the same period, have been occupying the Jackson home in Honolulu where Dr. Jackson is on the staff of the University of Hawaii.

Still Investigate \$250 Jewel Theft Last November

At the request of insurance officials, the Sierra Madre Police Department continues its investigation of a \$250 jewelry robbery last November at the W. R. Irwins home, 359 Grove St.

To police, Mr. Irwins has indicated a belief that the jewels were taken by guests or a guest attending a party at the home. So far, the police have been working on the case with practically no clues.

Worker Has Close Call

Possible death or critical injuries were missed by a hairsbreadth last week in a fall experienced in Sierra Madre by M. L. Gilliam, 51, a carpenter, working on a new 550 Fern Lane residence.

Gilliam, of 13822 E. Garvey, Baldwin Park, slipped while working on a scaffold and fell 18 feet into a pile of soft dirt, crushing a bone in his left foot.

Almost miraculously, he missed a thick concrete wall by six inches on one side and a pile of boards with nails extending from them on the other side.

Gilliam was treated at Sierra Madre Community Hospital, then taken home.

Officer Rescues Bewildered Dove

Birds, like humans, can become bewildered and confused now and then, this despite their inborn instinct.

A young dove flew into a chimney at the R. G. Austad home, 271 N. Sunnyside, and couldn't find its way out.

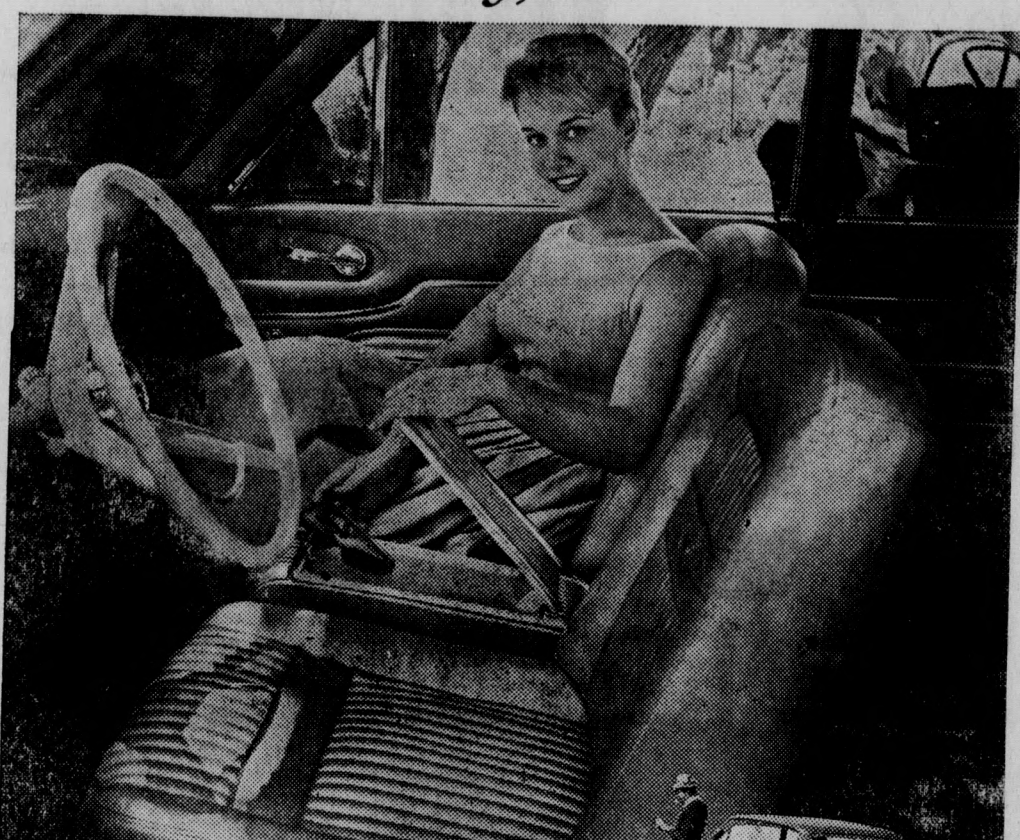

Its fluttering and frantic cries aroused the Austads who notified police. Police Officer Hiram S. Embree sped to the Austad home and soon extricated the young dove from its "imprisonment."

Bad Check Charge

A woman described by police as a former cook in a Sierra Madre eatery was arrested by police Monday on a charge of passing \$65 in bad checks at Happy's Liquor Store, 12 W. Sierra Madre Blvd.

Whenever Charlie Eaton isn't minding the restaurant (next door) you will find him soaking up sunshine by the pool near the entrance to Eatons Hotel. It's quite a place for basking, loafing, sleeping, relaxing, un-winding, hiding from creditors, etc. Ideal for anything from a weekend to 17 years (depending on how long you want to hide). Prices are reasonable... Pool is wet... you'll have fun... and the longer you stay the quicker Mr. Eaton can retire.
